**WELCOME AND INTRODUCTIONS**

Bill Connor, President, called the meeting to order.

**EXECUTIVE SESSION ANNOUNCEMENT** – None.

**PUBLIC COMMENTS** – Bill Connor read the public comment period guidelines. There were no public comments.

**REVIEW AND ADOPTION OF CONSENT AGENDA**

*On motion made by Andy Dinniman, seconded by Staci Anderson, the Minutes and Consent Agenda were unanimously approved.*

**FINANCIAL STATEMENTS**

- **January 2026 Exton and Hankin Financial Statements**
  - **CCL County Budget**
    - Vehicle - The replacement van was delivered in January rather than mid-year as assumed in the budget, which was developed based on County guidance. As a result, higher vehicle costs are being incurred for the full year rather than half of the year. This will continue to be monitored and may need a budget adjustment later in the year.

- Personnel Services - The year-to-date budget reflects three January pay periods, while only two pay periods were charged for Standard Benefits and Retirement due to a County payroll decision. The timing difference appears to make the year-to-date results appear more favorable than the actual run rate.
- Not included are HVAC service calls, January library van cell phones, January electricity supply charges, and January VOIP.
- **HHB County Budget**
  - Personnel Services – Same note as above in the CCL County section
  - Costs for fire alarm testing, January electricity supply charges, and January VOIP were not included
- **CCL State Aid Budget**
  - A patron donation of \$2,000 was received in January.
- **January 2026 Fund Balance Report** – There were no comments on the fund balance.  
*On motion made by Andy Dinniman, seconded by Richard Hankin, the financial statements were accepted and filed for audit.*

#### FOR APPROVAL

- **CCL Board of Trustees Meeting Location Change** - As discussed in the CCLS meeting, the CCL Board of Trustees April meeting will be held at the Spring City Free Library, and the May 2026 meeting will be held at CCL.

*On motion made by Richard Hankin, seconded by Andy Dinniman, the CCL Board of Trustees Meeting Location Change was unanimously approved.*

- **Finance Committee Recommendations**
  - **Voluntary Disclosure Agreement** – Unclaimed property reporting has not been completed for 2023 and 2024. There is currently just under \$5,000 in outstanding AP checks from 2020 and 2021 that should have been sent to PA Treasury as an unclaimed property. To address this, a Voluntary Disclosure form needs to be filed with the PA Treasury. Bill Connor signed the Voluntary Disclosure form, and Barb Baugher will submit it, which will put CCL back into compliance.
  - **Discontinuation of Pennies/Cash Rounding** – Banks are no longer distributing pennies, so once the \$5.10 in pennies that CCL has on hand has been given out/finished, they will not be replenished. The register vendor is working on an update expected in June 2026 that will allow cash transactions to be rounded to the nearest nickel. In the meantime, the Finance Committee recommends that CCL rounds as follows: 01 and .02 → .00; .03 and .04 → .05; .06 and .07 → .05; .08 and .09 → .10.

*On motion made by Andy Dinniman, seconded by Richard Hankin, the Finance Committee recommendations were unanimously approved.*

#### **FOR INFORMATION/DISCUSSION**

- **Public Services Presentation: Database Usage** – Melissa Straka gave an update on the database usage statistics and noted the following:
  - The use of language databases and news/current event databases increased in 2025.
  - The Reference Department relies heavily on subscription resources (many CCLS funded) to access the most current information.
  - The Reference librarians have noticed an increase in in-person requests for magazines.
- **Friends of the Henrietta Hankin Branch Library 2026 Funding Requests** – Carey Bresler presented the HHB 2026 funding requests that were approved by the Friends of HHB at their February meeting.

#### **REPORTS/CORRESPONDENCE**

- **President's Report** - None.
- **Director's Report**
  - The Lunar New Year celebration was a success. Unfortunately, it was too cold for the Lion Dancers to do their performance outside as planned, so it was held in the lobby instead.
  - The mobile app is working much better. Any new issues seem to be individual issues and not a systemic issue with the app.
  - Lisa Urbani, CCL Youth Services, hosted a Valentine's Day workshop for teens to make and send cards to Pocopson Home residents that was well-attended.
  - **Maintenance and Facilities**
    - The revolving door issue has been fixed.
    - CCL/HHB were closed for three days in January due to snow.
    - CCL is continuing to work through issues with cleaners, including doing walk throughs with the manager of the cleaning company, and holding meetings with County Facilities.
  - The State Annual Report is almost completed.
  - **Passport Services**
    - The new service is prepared to launch on Monday, March 2.
    - Twelve staff members are being trained to serve as agents.
    - A member of the Department of State will be visiting to help with some of the initial appointments.
  - **Sensory Kits** – Two new sensory kits are available at CCL for patrons.

- **CC 250** – Working on planning events that are aligned with CC250. April Nickel has been chairing the committee to assist with facilitating these events and activities.
- **Branch Manager’s Report**
  - Charlotte Marron, Circulation Manager, started parental leave earlier than expected.
  - The vacant Youth Services Lead position is posted, and interviews are underway.
  - One of the most popular January programs was Menopause Management that had 37 attendees. The facilitator, Dr. Amy Capoccia is planning to do a follow-up program in February.
  - Offering Valentine’s Day themed crafts in the Makerspace for the month of February.
- **Development Director’s Report**
  - Devon Dadoly gave updated statistics for the CCL Trust’s 2025/2026 Annual Appeal.
  - The next CCL Trust Board Meeting is scheduled for Tuesday, March 31.
- **Friends of the Chester County Library** – The Friends are working on planning the next book sale scheduled for April 10-12.
- **Friends of the Henrietta Hankin Library** – The Friends are planning to meet bi-monthly and are working on brainstorming more ideas for how to generate revenue for the library. They are running a Table Sale at HHB right now.

**Meeting Adjourned.**

*On motion made by Andy Dinniman, seconded by Mike Skay, the meeting was adjourned.*

Database Usage Highlights

While the statistics are being retrieved and summarized for all of 2025, a brief usage and CPU snapshot is included as well as a few trends and highlights.

Vendor	Database	Type	2024	CPU	2025	CPU
Mango Languages	Mango Languages	Sessions	9,863	\$ 1.52	13,386	\$ 1.12

Business Research:

- **Reference Solutions** remained stable with a microscopic decrease by fewer than 200 sessions.
- The retrieval of records and the number of records downloaded continues to increase with just under 500,000 records downloaded in 2025; a 15% increase from 2024.
- Businesses continues to learn how to use the resources effectively and efficiently from Business Librarian Mikaila Strano.

Language Learning:

- **Mango Languages** has increased in usage in 2025 compared to 2024 and decreased slightly in CPU.

News/Current Events:

- Usage of **Philadelphia Inquirer** sources doubled, and the CPU decreased by half.
- News has been very busy over the last year and the usage reflects the volume of news and interest in news by the public.
- New York Times usage is expected to increase in usage given the news environment and usage of other news resources.

Overall:

- Use of language, news/current events increased in 2025 with the use of our premier business resource remaining relatively static with a slight up tick in CPU (based on sessions).
- The Reference Department fields requests for news information and relies heavily on subscription resources (CCLS funded and state funded through Power Library) to access the most current information.
- Internal use of magazines has increased with Library Pages reporting missing and misshelved copies several times a week. An increase in in-person requests for magazines during heavy news cycles as also been noted by Reference librarians.

RE: Proposed CCLS/CCL Ad Hoc Committee Structure Changes for 2026

After reviewing our committee structure for the CCLS / CCL Board and the fact that we have a vacant Board position, we are recommending some changes to the Ad Hoc committee structure for 2026.

#### 2026 Committee Structure Proposal

**Ad Hoc Committees** - These are committees that are created for a specific purpose. Below are the proposed charges and no more than 2 board members on a committee. President is Ex-Officio (non-voting) member of all committees.

- **Institutional Advancement Committee**

With a long-term goal of maximizing overall community support. **A focus in 2026 will be reviewing strategy for local municipal advocacy and presenting information to the County Commissioners.**
- **Planning Committee (Strategic, Facility & Technology)**
  - Charge/Resolution – This Committee is responsible for reviewing and evaluating current Strategic Plans, overseeing new Strategic Plan efforts and ensuring that any major facility expansions (specifically for CCL/HH) consider the current Strategic plan direction, review Technology proposals and make recommendations to the Board. **Additionally, for 2026, reviewing an updated sustainability analysis and data for usage in advocacy.**
- **Funding Task Force (this committee will be on hiatus for 2026)**
  - Charge/Resolution – This committee is a five to ten-member group responsible for investigating and making recommendations to the CCLS Board for ways to increase funding, particularly at the Local, County and State levels.
